

## Tutor Job Description

Rize Beyond helps adults get their GED and provide them with the support they need to be successful. Their goal is to be successful and achieve self-sufficiency. Most students lack support and have barriers to overcome. Tutors will help students regain confidence in the GED subject areas by showing them how to work out problems within the two GED subject areas.

Tutor responsibilities consist of the following:

- Assist students with two subject areas of the GED
  - Mathematics
  - Language Arts/Reading
- Commit to at least one evening per week
- Be familiar with various video meeting platforms to meet with students virtually

Qualifications

- Has at least a high school diploma or GED
- Proficient in math and language arts/reading
- The ability and desire to work with adults
- A positive attitude and good listening skills
- Patience, understanding, and a sense of humor
- Experience working with people from diverse backgrounds
- A commitment to being reliable, responsible, and dependable, and fulfilling obligations
- A commitment to participating in the program for at one year
- Personal qualities of integrity, credibility, and a passion for improving the lives of others
- Must be able to attend the tutor training

Background check is required

This is a volunteer position
